Hid-A-Bag

Features

Industry standard for bear resistant containment.

Enhanced accessibility with optional side-hinge loading door.

Decorative poly siding or vinyl wrap look great with zero upkeep.

Combination collection for waste and/or recyclables.

Side-hinge unloading door for ease of servicing.

Optional 5" or 8" restrictor plate for recycling containers.

Galvanneal steel panels and stainless steel hinges ensure extended durability.

Bear resistant latch and construction certified by the IGBC for private and public lands use.

Hinged bag cage minimizes lifting.

Powder paint process achieves a high gloss, durable finish.

Optional concrete pad with proven anchoring system.
